

Parent Forum Agenda: 27 June 2022

As we look discuss the analysis of provision for educational visits and extracurricular activities, please feel free to note you comments and ideas in order that we can discuss implementation of these in the year to come.

	What specific types of educational visit do parents and carers want us to offer?	What is the purpose of the educational visit?	What educational visits has the school offered this year
Parents and Carers Responses			

Aims:

Securing parental Engagement:

To develop links with parents / carers which allow them become actively involved in the education and support of their child as they learn.

Community Engagement:

The process of working collaboratively with and through groups of people affiliated by geographic proximity or special interest, affecting the well-being and capital of all collaborators
