

This term we would like to gain your views on the following in order that we can develop our recording and reporting systems taking into account parental feedback.

We would also like to ask your views regarding the safeguarding aspect of the website to understand if parents need further guidance or information on any of the issues that may affect young people (as outlined in 'Keeping Children Safe in Education 2021' or 'working together to safeguard children 2018').

Our meeting will start at 4.00pm and with the relaxing of the covid restrictions, we would to welcome you into school and perhaps share an informal discussion
